Memphis Pride All-Star Cheer & Dance has been building athletes in Bartlett, TN for the last 4 years. We are active in the community having hosted a book drive in support of the Bartlett Public Library and participated in Race for the Cure.

Our goal is to mold young athletes into becoming responsible individuals, strong team members, and compassionate competitors. We accomplish this by focusing on excellence, promoting positive self-awareness, and physical well-being. Please take the time to come and learn of the benefits of All-Star Cheerleading.

Come Be A Part of Our **PRIDE** Family!
